The ultimate end or final goal of all music ...
shall be nothing but for the honor of God and
the renewal of the soul.

- J.S. Bach

What is “Inspiration From Above”?

- “Inspiration From Above” reveals the little known spiritual lives of the great composers: Bach’s godly life purpose, Mozart’s considering it pure joy in the midst of continuous trials, how Jesus led Beethoven over his deafness, Chopin’s deathbed revival, Liszt’s commitment to God, and more... Sandra presents these while penetrating the heart with their music.
- Sandra also includes her own testimony and the gospel of Jesus Christ
- “Inspiration From Above” is able to bring people to the church who otherwise wouldn’t come to church
