

Need Food?

There is a love under heaven that defies all human reason and understanding. It is with this love of the Lord Jesus Christ that we offer you or anyone you know a free gift of food from our table to your table. If you are having difficulty making ends meet and would like this gift of food please contact us using the email or phone number below and we will bring it to you. Also, ask us and we will tell you about living water, which when consumed will allow you to never be thirsty again; it is a well of water springing up into everlasting life, a gift of God.
